

ASSEMBLY BILL

No. 1679

Introduced by Assembly Member Mullin

February 22, 2005

An act to amend Section 8875.1 of the Government Code, relating to building standards.

LEGISLATIVE COUNSEL'S DIGEST

AB 1679, as introduced, Mullin. Building standards: hazard buildings.

Existing law establishes a program for mitigation of potentially hazardous buildings, as defined, within all cities, both general and chartered, and all counties and those portions of a county that are located within a designated seismic zone to identify all potentially hazardous buildings.

This bill would correct an obsolete reference.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 8875.1 of the Government Code is
2 amended to read:
3 8875.1. A program is hereby established within all cities, both
4 general law and chartered, and all counties and portions thereof
5 located within seismic zone 4, as defined and illustrated in
6 Chapter 2-23 of Part 2 of Title 24 of the California
7 ~~Administrative Code~~ *Code of Regulations*, to identify all
8 potentially hazardous buildings and to establish a program for
9 mitigation of identified potentially hazardous buildings.
